Reggae, ska & punk fusion bringing big brass, big bounce and high-energy festival vibes from Bedfordshire, UK.

BAND OVERVIEW

easydread blend reggae groove, ska energy, and punk attitude into a colourful, high-tempo live sound rooted in UK festival culture. Their music is built for movement: upbeat guitars, bouncing horn lines, dub-infused breakdowns, and choruses that pull whole crowds in.

Their music celebrates togetherness, community, and the joyfully chaotic spirit of live performance - the sound of people moving as one.
